A reminder too about water bottles- learners are advised to bring their own bottle that they can fill at break and lunch times.

Mrs K Edwards and Mr Walker took Amanda Ling, Blessing Uche, Uchenna Ekechukwu, and Jade Webber to a conference at Staffs Uni 2 weeks ago. The girls were there to listen to some ideas about engaging women in computing, but in a good way took over! This is what we had as feedback from the organisers:

"Whilst each and every presenter was great, particular thanks must go to the amazing girls from St John Fisher, who were at the heart of the "Engaging Girls into Computing" session. It must have been quite daunting, but it was a great development for our conference to get the views of the learners in discussions and was really insightful".

Please be aware it has been noted that Attendance dips when New games are released (eg: Fifa, fortnite)
Thank You for your support

This will be the last weekly newsletter of the academic year.

School closes on Friday 20th July @ 2pm, if you need your child to stay at school later than this, please contact the office or the library to arrange.

School re-opens for staff and enquiries on Monday 3rd September, and to pupils on Wednesday 5th September.

Y9 Business Enterprise Event - Wednesday 11th July

On Wednesday the whole Y9 was involved in a brilliant that involved developing and planning for their own. Working in teams of 11 they competed to take part in the grand final in the afternoon in front of a panel drawn from local businesses. The standard of competition was very high and our students were commended by both our staff and the visitors. A number of our students were picked out for their brilliant leadership skills, excellent team work and astute use of their numeracy skills in running the finances.

Well done to HK Designs and Gelato who were joint winners on the day as scored by the panel of employers. Thanks to all involved for making it a fantastic event that has clearly helped Y9 develop some fantastic transferable skills for the future.

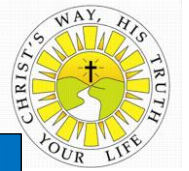

Y8 Challenging Stereotypes Event - Thursday 12th July

On Thursday, Y8 took part in an intriguing and informative event which certainly changed their opinions and ideas about people and job roles they do. Our partners Entrust organised the event and it gave a great opportunity for Y8 students to guess at what people did for their job and question them about the different business fields they work in. A number of our students were picked out for special praise by staff as they engaged well with questioning the guests in the second half of the event, finding out more about how they work and what skills are required to be successful in the work place.

MONEY MATTERS

Important notice St John Fisher lunch account top ups

Catering will be provided in house from September 2018, instead of being provided by the current external supplier Chartwells. In view of this swap over please can you manage your lunch top-ups so that any credit balances on lunch accounts for catering services are at a minimal following the school closure on Friday 20th July 2018. When we close on 20th July 2018 we will have to ask Chartwells to refund any credit balances to us so we can pass the money back to you and this can take a few weeks. Moneys under £5.00 will not be refunded unless you specifically request a refund by Friday 20th July 2018.

After we close for the holidays please can you arrange to delay top-up of your accounts until Monday 30th July 2018 onwards in preparation for the September term.

To all parents of Y11 and Y13 students who have a credit balance on their child's St John Fisher Catholic College school lunch account,

Please request a refund from the school by 13th July.

Many thanks for your co-operation. Mrs Bowers, Bursar.
