Friday 27	<ul style="list-style-type: none"> Y12 & Y13 	

Non Uniform Day - Thursday 29th March 2018

Thank you so much for your kind donations to the last day of term and for supporting our annual summer Mission Days.

If you have already donated via Parent Pay or cash into your form - thank you. Unfortunately, there was an issue with Parent Pay not working on Thursday 29th March for the majority of the day.

Please arrange to pay via Parent Pay as this is now fully operational. We are asking for a minimum donation of a pound from every student but if you can give more it will be gratefully received.

The more funds we raise the more experiences we can provide on these days. Please make payment via ParentPay by Friday 27th April 2018.

Online Safety

The NSPCC have teamed up with O2 mobile network to support parents in ensuring that their children's handheld devices (Mobile phones/iPads etc...) are safe.

The link below gives further information about this and devices can be taken into O2 and they will check your child's security settings and online safety

<https://www.nspcc.org.uk/what-we-do/about-us/partners/nspcc-o2-online-safety-partnership/>

RE Stars of the week

KS3 Nicole Jones for making a big improvement to the quality of her classwork. Y8

KS4 Luke Powell for always getting involved in lessons and giving some great answers. Y10

KS5 Ellie-Mae Carter for great contribution to discussion and attitude in lesson.

Mrs Higgins, our head of MFL is raising money for St Luke's Hospice in Winsford by completing the World's fastest, and Europe's longest Zipwire at Penrhyn Quarry in North Wales.

"The charity event is this Saturday (21st April) and I am rather scared, as participants reportedly reach speeds of up to 125mph.

Anyone wishing to sponsor me can do so on my Justgiving page. Any amount is very much appreciated.

<https://www.justgiving.com/Alison-Higgins7>

Thank you so much to all who have sponsored me so far."
Mrs Higgins.

Parent Pay School Break and Dinners

Please ensure that the relevant Parent Pay accounts are **topped up every week** and that students have either had their fingerprint data taken or have their PIN. **You must ensure that accounts are topped up before 11.30am on the day** any food is required as after this time the money does not get transferred to the kitchen until the next day.

Without finger print scan or PIN students will not be able to access food from the canteen. Biometric Consent forms can be requested from the Finance Office.

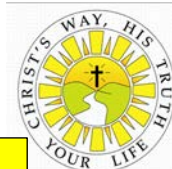

You can set up a **Balance Alert** where once your balance drops below say £5.00 you can receive an email alert which will prompt you to top up their lunch account.

As you are aware Parent Pay was not working on the last day of the spring term (29th March). There was an agreement that we would feed our students even if there was no money on their Parent Pay account and on the proviso that parents would top up and pay for what their child had for dinner or break on this day. We still have outstanding balances/money owed and please ensure this is paid via Parent Pay as soon as possible.

We are pleased to congratulate our Silver Award DofE group on the completion of their practice expedition, which they undertook over three days during the Easter holidays. The weather was not kind to them for two of the days, but they ended their expedition on a high with a dry and sunny day. They will be completing their assessed expedition over the May Bank Holiday weekend.

Ms Gentle-Lloyd

500 words

Congratulations to Dominic Hawkins Y7 whose story "Red Dash" has gone through to the next round of the Radio 2 500 words story competition. His story is now in the last 5,000 entries. More news when we have it

Due to this week's bulletin having jpeg images we are unable to send it as a word version. It will only send as a PDF version. We apologise for any inconvenience this may cause.
