

The Fisher Way: Curriculum

The Fisher Way aims to educate and inspire with joy, faith and love because we are an inclusive Catholic community.

Successful and resilient learners who aspire to and achieve excellence

Confident individuals who can explore and communicate effectively

Responsible citizens who are active, loving, and wise in all their endeavours

Subject	English
Year Group	Year 9
Intent	<ul style="list-style-type: none"> • Successful and resilient learners: who are attentive to and reflect upon their learning, have high expectations of themselves and realise their full potential in reading, writing and spoken language skills • Confident individuals: who can express themselves with intent in a succinct, assured, and articulate way, according to audience and purpose. • Responsible citizens: who are discerning critical readers of fiction and non-fiction texts and whose analytical skills will allow them to interpret the ever more complex linguistic landscape and enable meaningful discussion of spiritual, moral, social, and cultural issues.

Narrative	<p><i>In Year 8, students were introduced to texts from the English Literary Heritage: ‘Sherlock Holmes,’ ‘The Tempest’ and ‘Animal Farm’ with a focus on establishing knowledge of contexts, themes, characters, and plots. During these studies, students developed essay skills including topic sentences, quotation selection and the explanation of inferences. In addition, students developed key SPaG skills with a focus on grammar terms and efficient expression; students also developed an understanding of key components of effective story structures.</i></p> <p><i>In year 9, learners will build on their previous creative writing skills when they plan and produce four sequential extended writing pieces: description, short story, opening chapter and a writing to argue piece. Within these studies, learners will ‘master’ key writing skills including: wider (tier 2) vocabulary and the construction of coherent and sophisticated short story/ opening chapter/ polemic structures. These foundations of planning and organising written texts lay vital foundations for the priorities of exam writing tasks at KS4.</i></p> <p><i>Building of the study of texts in year 8, learners will study further texts from the Literary Heritage in the form of ‘Jane Eyre’ and a poetry collection. In addition, students will study a modern play ‘Small Island,’ an adaptation of a novel. These studies create a bridge between y98 and GCSE by preparing students for future like-minded challenges of the 19th century novella and 20th century drama texts. By the end of the year, all learners will be able to apply their knowledge and skills to specific questions, showing awareness of a writer’s intentions with relation to language and context.</i></p>
