Guidance Notes for Parent/carers requesting Leave in Term Time

1. Parent/carers/Carers who want the school to consider granting leave of absence in school term time should read these notes carefully, **complete the attached form and send it to the head teacher**. This form should be sent to the school in time for the request to be considered **well before** the desired period of absence. Parent/carers are strongly advised not to finalise any booking arrangements before receiving the school's decision regarding their request. Head teachers cannot authorise any leave of absence unless the request is received before the period of absence begins.

2. The Department for Education makes it clear that head teachers may not grant any leave of absence during term time unless there are **exceptional circumstances**. **Exceptional circumstances do not include term time holidays.** Head teachers now also determine the number of school days a child can be away from school if the leave is granted.

3. There is no automatic right to any leave in term time. This includes for those Parent/carers/carents holding certain occupations or for working in certain services.

4. Staffordshire County Council understands the challenges that some Parent/carers face when booking holidays particularly during school holidays. However, we believe that, in order to ensure children, receive the best education and prospects, that they should be in school during term time.

5. Each case will be considered individually and on its own merits. Parent/carers need, therefore, to consider very carefully before making any request for leave of absence. In considering a request, the school will take account of: -
   - the **exceptional** circumstances stated that have given rise to the request.
   - the stage of the child's education and progress and the effects of the requested absence on both elements
   - frequency of similar requests
   - whether the parent made the request in advance
   - students/pupils on examination courses or due to take SATS will **not** normally be granted leave of absence.

6. Where Parent/carers have children in more than one school a separate request must be made to each school. The head teacher at each school will make their own decision based on the factors relating to the child at their school. However, head teachers may choose to liaise with each other as part of their decision-making process.

7. Should the school decide to grant leave of absence, but the child **does not return to school at the time s/he was expected to** (i.e., following the expiry of the granted leave of absence period) and no information is available to the school to explain/justify the continuing absence this absence will be recorded as unauthorised.

8 Should the school decide **not to grant leave of absence** and Parent/carers still take their child out of school, the absence will be recorded as **unauthorised,** which may be subject to a Penalty.

New two penalty notice limit in a three-year period. The three-year rolling period starts for Parent/carers when the first penalty notice is issued to them after the 19th August 2024.

The first Penalty Notices for leave in term time will increase to £160 per parent per child but can be reduced to £80 per parent per child if paid within 21 days.

If a second penalty notice is issued within three years of the first penalty notice, then this will be at a fixed rate of £160 per parent per child, with no reduction for early payment. A third penalty notice cannot be issued within the three-year period; therefore, the county council will deal with any further unauthorised leave through prosecution in the Magistrates Court. If the parent is found guilty, the potential fine is up to £2500.

The Local Authority will continue to monitor all school absences during term time and support head teachers in challenging Parent/carers who ignore the law.

* Generally, the DfE states that Parent/carers include all those with day to day responsibility for a child.
